Article 9

1. The Lead Beneficiary undertakes to fulfil the information and publicity measures set out in the Project Communication Guidelines, with the aim of promoting the fact that co-financing is provided from EU contribution available under the Interreg V-A

Hungary-Croatia Co-operation Programme 2014-2020, furthermore it undertakes to ensure the adequate promotion of the Project.

2. The Lead Beneficiary shall ensure that all project official communication (e.g. any notice, publication, website or project event, including conferences or seminars) specifies that the Project has received funding from the EU within the framework of the Interreg V-A Hungary-Croatia Co-operation Programme 2014-2020, by following the instructions detailed in the Project Communication Guidelines.

All indicated changes in the Project have to respect the rules of the Call for Proposals laid down in the Guidelines for Applicants, e.g. meaning that if a limit for a certain type of cost was given in the Guidelines for Applicants, the notified (initiated) change has to respect the limit as well. There are considered cases of force majeure: wars, natural calamities, general strikes, insurrections, revolts, epidemics, earthquakes, floods and other similar events that cannot be attributed to any party of the Contract. Force majeure, established under the law, exonerates the parties in case of failure to execute totally or partially the obligations under this Contract, as long as the force majeure is in force, and only if the other party has been duly notified. It is not considered to be force majeure an event similar to those presented above, that, without creating an impossibility of execution, makes the execution of the obligations very difficult for one of the parties.

3. The execution of the Contract may be suspended from the occurrence of force majeure during the whole period of its action.
4. In case the Contract must be suspended under this reason, for a period longer than 3 (three) months, the Managing Authority has the right to decide on the continuation / modification / termination of the contract.

The eligible expenditure of the Project to be co-financed from the Programme shall be reduced by the net revenue not taken into account at the time of approval of the Project directly generated only during its implementation, not later than at the Final Application for Payment submitted by the Lead Beneficiary. Where not all the costs are eligible for co-financing, the net revenue shall be allocated pro rata to the eligible and non-eligible parts of the cost.
